

Baby Girl Clark

Baby Girl Clark was b. 17 Jul 1934 in Arvada, Colorado to parents: Mary Elizabeth Alderton and Dr. Guy Robert Clark.

Vickie Smejkal met Cynthia Wey at Riverside on 31 May 2010, Cynthia is niece of Baby Clark who d. 17 Jul 1934. Baby Clark has a sister: Elizabeth (Clark) Johnson (living), (mother to Cynthia), and a brother: Richard Clark who was a Pharmacist in California and who d. about 2008. Maternal grandparents are: John "Jack" W. and Eudora "Dora" Elmira Alderton per Cynthia Wey.

Baby Girl Clark was delivered by her father. After delivering his daughter, Dr. Guy Roberts then went off to deliver another baby. It was while he was out that his own daughter would slip away, due to a hole in her heart.

Mrs. Clark paid about \$800 to someone to have the baby taken care of and buried, but family story is that the person left with the money, leaving Mr. and Mrs. Clark to bury their daughter at Riverside Pioneer Cemetery in Denver, instead of in Arvada.

It saddened Mrs. Clark that she was not able to obtain a headstone for her baby. It would be in 2010 that Baby Girl Clark's sister, Elizabeth, would be able to have a headstone placed where Baby Girl Clark was laid to rest.
